

Quality Policy

It is the policy of Alpha Rail Limited to establish and maintain an effective and efficient Quality Management System, planned and developed in conjunction with all management functions.

This system shall, as a minimum, comply with the requirements of BS EN ISO 9001:2008, the requirements of the following Highway Agency Sector Schemes:-

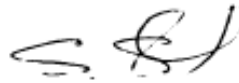

2A Design and / or Supply, Installation and Repair of Fences,
2B Supply and Erection of Fences – Vehicle Restraint Systems,
5A For the Manufacture of Parapets for Road Restraint Systems,
5B – Installation of Parapets for Road Restraint Systems

but will be periodically monitored to see if any improvements can be made, and sets out the means of providing for its customers all types of fencing and guard-rails inclusive of parapet systems that meet the requirements of all applicable national or international standards.

Alpha Rail Limited's Personal Objectives will be as defined in the Business Plan and Customer and Employee Charter.

Not only is this policy sound commercial practice it is also a positive attempt to minimize the effect of product liability legislation by recognizing the need to control the Company's Quality Assurance Activities at all stages during manufacture and installation.

Alpha Rail Limited shall ensure that this policy is understood, implemented and maintained at all levels of the organization by Quality Awareness Training.

S. Shirley
